CASE NAME: SEBASTIAN VICTORIA AYALA

**VACATED**

HEARING:

Petition for SPECIAL IMMIGRANT JUVENILE FINDINGS

COUNSEL:

FIDELINA SERRATO (PET)...RICHARD BENAVIDEZ  
SEBASTIAN VICTORIA AYALA (MIN)...

GENERAL INFORMATION

Continued from **10/03/17**.

**Continued from 01/23/18. For receipt of CI report.**

THIS CASE IS SET FOR HEARING ON Request for findings re: special immigrant juvenile status (minor Sebastian (age 5)

THE FOLLOWING ISSUES AND/OR DEFICIENCIES IN THE PAPERS ARE NOTED

1. Petitioner, Fidelina Serrato (maternal grandmother), requests that the court issue an order finding that minor is eligible for special immigrant juvenile status under the Special Immigrant Juvenile Status Statute (SIJS), 8 U.S.C., § 1101(a)(27)(J), which provides in relevant part as follows:
  - a. "The term 'special immigrant' means ... an immigrant who is present in the U.S. –
    - i. who has been declared dependent on a juvenile court located in the United States or whom such a court has legally committed to, or placed under the custody of, an agency or department of a State, or an individual or entity appointed by a State or juvenile court located in the United States, and whose reunification with 1 or both of the immigrant's parents is not viable due to abuse, neglect, abandonment, or a similar basis found under State law;
    - ii. for whom it has been determined in administrative or judicial proceedings that it would not be in the alien's best interest to be returned to the alien's or parent's previous country of nationality or country of last habitual residence; and
    - iii. in whose case the Secretary of Homeland Security consents to the grant of special immigrant juvenile status..."

2. The specific findings required under the statutory scheme would be: (1) that petitioner is an immigrant placed under the custody of an individual appointed by a state court (probate guardianship); (2) that petitioner's reunification with one or both parents is not viable due to abandonment; and (3) it is not in the petitioner's best interest to be returned to his/her home country.
3. Once the above findings are made, petitioner may then begin the process with the Bureau of Citizenship and Immigration Services to obtain legal permanent residence status. In other words, the findings requested are a prerequisite to filing a petition for a "green card."
4. State Superior Courts have jurisdiction to make factual findings of eligibility under SIJS See *N.O. v. Super. Ct. of Calif.*, County of Alameda, No. A122430 at 2-3 (Cal. Ct. App. 9/25/08). Thus, under the federal legislation, any superior court judge would have jurisdiction to hear the SIJS petition
5. Petitioner offers a declaration in support of the requested findings stating, inter alia, the following:
  - a. Minor was born on 06/19/12 in Mexico and lived there with minor's parents until his father abandoned minor and minor's mother at the age of 2.
  - b. Minor was abused and neglected by minor's father is an alcoholic and was physically abusive toward minor's mother, Guadalupe. His father also neglected minor and failed to provide support, both economically and emotionally.
  - c. Minor and his mother moved to the United States in July, 2015. Both minor and his mother are in immigration proceedings. Minor resides with petitioner in Rialto, CA.
  - d. Minor does not believe he/she can return to minor's parents because minor has no other family to provide for him, and no other family to return to.
6. Per the statutory scheme, this petition is to proceed only if guardianship of the minor is granted pursuant to the accompanying petition.
7. Need notice on Guadalupe Serrato (mother) and Juan Soto (father).
  - a. **Request to dispense with notice as to Juan Soto (father), unknown paternal grandparents, Rodolfo Zandejas (maternal grandfather), and Alfredo (sibling). JTD.**

## RECOMMENDATION

Require notice then Court to reach only if accompanying guardianship petition is first granted. Court's discretion re factual findings that would support this petition.'
