PEDRO MARCOS RAYMUNDO	(MIN)...

GENERAL INFORMATION

**Continued from 05/21/18 at request of court trailing other hearing set.**

THIS CASE IS SET FOR HEARING ON Request for findings re: special immigrant juvenile status (minor is 14)

THE FOLLOWING ISSUES AND/OR DEFICIENCIES IN THE PAPERS ARE NOTED

1. Petitioner, **Pedro** a minor, requests that the court issue an order finding that minor is eligible for special immigrant juvenile status under the Special Immigrant Juvenile Status Statute (SIJS), 8 U.S.C., § 1101(a)(27)(J), which provides in relevant part as follows:
  - a. "The term 'special immigrant' means ... an immigrant who is present in the U.S. –
    - i. who has been declared dependent on a juvenile court located in the United States or whom such a court has legally committed to, or placed under the custody of, an agency or department of a State, or an individual or entity appointed by a State or juvenile court located in the United States, and whose reunification with 1 or both of the immigrant's parents is not viable due to abuse, neglect, abandonment, or a similar basis found under State law;
    - ii. for whom it has been determined in administrative or judicial proceedings that it would not be in the alien's best interest to be returned to the alien's or parent's previous country of nationality or country of last habitual residence; and

- iii. in whose case the Secretary of Homeland Security consents to the grant of special immigrant juvenile status...”
2. The specific findings required under the statutory scheme would be: (1) that petitioner is an immigrant placed under the custody of an individual appointed by a state court (probate guardianship); (2) that petitioner’s reunification with one or both parents is not viable due to abandonment; and (3) it is not in the petitioner’s best interest to be returned to his/her home country.
3. Once the above findings are made, petitioner may then begin the process with the Bureau of Citizenship and Immigration Services to obtain legal permanent residence status. In other words, the findings requested are a prerequisite to filing a petition for a “green card.”
4. State Superior Courts have jurisdiction to make factual findings of eligibility under SIJS See *N.O. v. Super. Ct. of Calif.*, County of Alameda, No. A122430 at 2-3 (Cal. Ct. App. 9/25/08). Thus, under the federal legislation, any superior court judge would have jurisdiction to hear the SIJS petition.
5. Pedro, minor, offers a declaration in support of the requested findings stating, inter alia, the following:
  - a. Minor was born on **06/04/2004** in **Guatemala** and lived there with minor’s parents until **January 2018**.
  - b. Minor was neglected by minor’s parents (see documents for specifics).
  - c. Minor arrived in the United States as an unoccupied minor and has not talked to his parents since.
  - d. Minor does not believe he/she can return to minor’s parents because **he barely had enough to eat and did not go to school, the doctor or dentist**.
6. Per the statutory scheme, this petition is to proceed only if guardianship of the minor is granted pursuant to the accompanying petition.
7. Jacinto Marcos Bernal (birth father) waived notice on 05/11/18.
8. Catarina Raymundo Brito appears to have waived notice on 05/11/18 via fingerprint; however, copy appears of poor quality. **JTD**
9. ~Proposed Order: 04/11/18

## RECOMMENDATION

Court to reach only if accompanying guardianship petition is first granted, then Court’s discretion re factual findings that would support this petition.
