## **BARSTOW COURTHOUSE TO OFFER NEEDLES RESIDENTS ADDITIONAL SERVICES STARTING AUGUST 1, 2016**

Effective August 1, 2016, the Superior Court of California, County of San Bernardino, Barstow District, will begin hearing Small Claims and Landlord Tenant matters from the Needles jurisdiction. The Court will coordinate these dates to coincide with the Victor Valley Transit Authority (VVTA) Friday bus service via the VVTA Route 200 Needles Link from Needles to Barstow. This will allow Needles residents to attend Traffic, Small Claims, and Landlord Tenant hearings at the Barstow Courthouse.

This ongoing collaboration between the San Bernardino Superior Court, VVTA, and San Bernardino County 1st District Supervisor Robert Lovingood, is part of the Court's continuing effort to restore services that were reduced over the last several years during challenging budgetary times.

VVTA Route 200 will make one round-trip each Friday, departing from Needles, traveling to Barstow and Victorville courthouses in the morning and returning to Needles in the afternoon. See the attached previously issued press release for transportation details.

All Needles Small Claims and Landlord Tenant case cases filed prior to August 1, 2016 shall remain assigned to the Joshua Tree Courthouse.

For more information please contact the Court Executive Office at 909-708-8746.

## **NEW BUS LINE TO ENHANCE NEEDLES RESIDENTS' ACCESS TO THE BARSTOW AND VICTORVILLE COURTHOUSES OF THE SAN BERNARDINO SUPERIOR COURT**

Beginning June 17, 2016, Victor Valley Transit Authority (VVTA) will offer bus service on Fridays via VVTA Route 200 Needles Link from Needles to Barstow and Victorville. The bus service, which will allow Needles residents to attend Friday court hearings at the Barstow and Victorville courthouses and provide Needles residents with much needed access to court and community services outside of Needles, is the result of collaboration between the San Bernardino Superior Court, VVTA, and San Bernardino County 1st District Supervisor Robert Lovingood. This collaboration is also part of the Court's ongoing effort to restore services that were reduced over the last several years during challenging budgetary times.

VVTA Route 200 will make one round-trip each Friday, departing from Needles and traveling to Barstow and Victorville in the morning and returning from Victorville to Barstow and then Needles in the afternoon. While reservations are not required to board the bus at the scheduled Needles bus stop, they are required for curb-to-curb service, which is available to those who would like to arrange to be picked up at locations within Needles city limits. Reservations are recommended and available to all who would like to hold a seat and may be made beginning two weeks prior to, but no later than the day before, the date of service by calling 760-948-3030. Service is first come, first served. The cost of the bus service will be \$12 each way (\$24 round-trip) with half-price fares available for veterans, seniors, individuals with disabilities, and individuals who receive Medicare benefits.

To have their matters heard on a Friday, Needles residents must schedule their court dates in advance. Needles residents that wish to appear for traffic and non-traffic infractions, which are heard at the Barstow courthouse, should go online at <http://www.sb-court.org/Divisions/Traffic/createaCourtDate.aspx> or call 760-718-3700 to schedule a court date. Needles residents that wish to appear for misdemeanor matters, which are heard at the Victorville courthouse, should call 760-245-6215 to schedule a court date.

The Court continues to work to improve access to services in the Needles area. In the near future, as VVTA Route 200 proves useful in assisting Needles residents to attend their hearings, the Court will explore the possibility of moving Needles residents' hearings for other case types, including small claims and landlord tenant, from the Joshua Tree courthouse to the Barstow courthouse.

"The Court is committed to addressing the impact of reductions to services that took place during a time of dire budget constraints, so we are pleased to improve Needles residents' access to court services by rearranging our hearing calendars to coincide with VVTA's new bus route," said Presiding Judge, Judge Raymond L. Haight III.

For more information about the VVTA bus services, including VVTA Route 200 from Needles to Barstow and Victorville, please contact VVTA Routing and Scheduling at 760-948-3030. For more information about the Court's coordination of services in the Barstow and Victorville Districts, please contact Dennis Smith, Risk and Safety Administrator, at 909-708-8746.
